

Other types of financial gifts to consider include:

Memorial or Honorary gifts, to pay tribute to a friend or family member in lieu of other gifts. When you make such a caring donation we provide you with an acknowledgment letter for tax purposes and send the honoree or family member of the deceased notification of your gift and generosity.

Employee Giving Campaigns in your workplace. You can designate Prudence Crandall Center as the recipient of your United Way contribution or other employee giving campaign. Matching gift programs are also available as a part of many companies' benefits. It is a way in which your charitable contribution will go further. Some companies will even match your volunteer hours. Ask your Human Resources representative for the necessary paperwork or instructions to apply online.

Sponsorships can be made to a specific event. It is a great way to support our programs and receive recognition for your good works in the community. Sponsorships are available at several different levels, including program ads and in-kind donations.

Stocks and securities may be donated through your Broker or Financial Planner. Please contact Carolyn Jasper, Development Director at (860) 225-5187 ext. 18 or cjasper@prudencecrandall.org before you transfer stock so that we may establish the value of your gift for tax purposes and ensure the security of your gift.

Leave a legacy by making a bequest in your will to Prudence Crandall Center. These donations help sustain our organization and provide savings in state and federal death taxes. Such gifts can be made by designating a specific amount or a percentage of your total assets.

Pledging a recurring annual gift helps supports our annual program costs and allows us to better plan for our future. Find out more about how you can become involved in our Bright Futures Campaign.
